ARMED FORCES DAY

Stevenson Borough Council is signed up to the Armed Forces Covenant and we are proud to be part of the annual celebration of Armed Forces Day. We work with key charities such as Royal British Legion, Soldiers, Sailors, Airmen and Families Association (SSAFA), Royal Naval Association, Army cadets and more. This event brings the community together and raises valuable money for these charities.

Your sponsorship could enable additional attractions as part of the show, increasing attendance and footfall, and in turn, allow participating charities to raise more money for important charitable work with our armed forces. For 2025, we are specifically looking to bring in a Replica 1917 SE5a Biplane to provide a different topical feature for this event, and educate those that come along. This event attracts retired veterans and family members who have loved ones as veterans. By putting your name to this event, you are showing your support for our armed forces.

STEVENAGE CHRISTMAS LIGHTS SWITCH ON

Stevenage Christmas lights switch-on takes place on the last weekend of November to mark the start of the Christmas season. With live performances on stage in our main town square, and a range of activities to suit all ages, including meeting Santa, reindeers, snow globes, free goody bags, free face painting, fair rides and more; the day is popular with residents and visitors alike.

This event is funded by Stevenage Borough Council. It is a free event with members of the public also enjoying the annual switch on at 5:30pm, and the launch of our Christmas market. The council uses this event to promote our local artists and performers, whilst at times, having headline acts to close the event.

The largest and most popular event in our town centre will have your name seen and heard by locals and visitors. With families purposely seeking out switch on events to attend, as this marks for them the beginning of Christmas, you

won't be short for publicity. Your audience reach will be a mix of ages, given the many families present.

For 2025 we are looking for sponsorship specifically to book a "Star". Evidence from 2023 (Junior Andre) and 2024 (DJ Luck & MC Neat), showed the increase in footfall and spends in the town, with a festive and magical atmosphere through the event, from children and adults of all ages.

We would like to keep and build on this momentum and your sponsorship and support would be immense appreciation, also helping support the local economy.

"It looks like an amazing day was had by all at the Switch-on. Well done to you and your team! From a number of managers that I have been speaking with, they all had an amazing trading day and were definitely up"

Thank you Ma'am

During her reign, the late Queen Elizabeth II made a number of visits to Stevenage.

She visited in 1959, six years after the Corporation. She officially opened the new town and visited Stevenage High and Comprehensive School during her visit, much to the excitement of schoolchildren and families across the town. A week later she visited the town again to see the new town in action. Since the official opening of Stevenage new town in 1959 by Queen Elizabeth II, she has visited the town on a number of occasions. She returned in 2012 during her Diamond Jubilee tour. Thousands turned out to show respect for the 60th birthday of the Queen - where she officially opened the new Diamond Jubilee stadium and.

On Monday 19 September 2022, the world paid a final farewell to Queen Elizabeth II with a state funeral and military procession.

Thank you Ma'am for your service.
