SHORT FILM CALLOUT!

Screening opportunity

Curiouser & Curiouser X Inclusivity Films are holding a screening on the 8th of March in conjunction with @hertsfilmooffice. They are looking for **Herts based, underrepresented filmmakers** (including **students**) to submit their short films for a screening in Stevenage on March 8th. The event will showcase around 6 short films and will include a panel style Q&A with the selected filmmakers.

They are passionate about showcasing **d/Deaf, disabled and/or neurodivergent filmmakers**, but also want to open this out to anyone who identifies as underrepresented in the film industry. They are looking for short films (under 15 mins) - if you're Herts based and from an underrepresented group within the film industry, then please submit!

Deadline for submissions is Friday 31st January. Link to submit is [here](#)
