

Revocation of Supplementary Planning Document

Town and Country Planning (Local Planning) (England) Regulations 2012

In accordance with Regulation 15 of the Town and Country Planning (Local Planning) (England) Regulations 2012, notice is hereby given that Stevenage Borough Council has revoked or withdrawn the following Supplementary Planning Document (SPD):

The Impact of Development on Biodiversity (2021)

The reasons for revoking the SPD is explained below:

| Name of SPD | Reasoning |
|--|---|
| <i>The Impact of Development on Biodiversity (2021)</i> is now out of date, or no longer required, as a result of mandatory BNG through legislation. | Revoking the out-of-date SPD would ensure that the Council has an up-to-date strategic planning framework. It will help to avoid confusion and make it easier for interested parties to access relevant information when seeking planning policy advice and submitting planning applications. |

As required under Regulation 15, following the revocation or withdrawal of the above SPD, the Council will cease to make any physical or digital copies of the documents available.

The recommendation to revoke the SPD was approved at Cabinet on the 9 October 2024.
